4ᵗʰ Annual Dinner

Hand in Hand

Jamie Fisher

Keynote Speaker

When Jamie was 16 years old, she found herself pregnant and unsure of what to do. She considered abortion but ultimately chose life for her daughter, Ariah. Shortly after Ariah was born, Jamie again found herself pregnant with her son, Devin. After a few turbulent years as a teen mom, she attended college, gave her life to Christ and married her sweetheart, Josh.

In 2015, Jamie used her own experiences to help others as she began volunteering for Pregnancy Services of Delta County. In 2020, she was hired as the Client Services and Volunteer Coordinator. In 2023, Jamie became the Executive Director of Pregnancy Services.

Jamie is a native of Escanaba and now lives in the Carney area. She and her husband Josh have four children—Ariah, Devin, Averyanna and Dallin, a granddaughter Alahnya, and many animals on their hobby farm. Jamie is driven by the Lord and she truly believes He has placed her exactly where He has called her to be.

Jamie's story gives an unfiltered account of her teen pregnancy and how her daughter was close to never being born. Her experiences show us that even though a person may have difficulties early in life, they can turn their life around and become an example of Christian love.
