

CARE HELP HOPE

A Change of Plans

Amanda and Rob had plans for their lives.* She was 17 years old, had a year left of high school, and she had plans to become a nurse. Rob was 18 years old, had just graduated from high school and was enrolled in classes at Bay College; after a couple years at Bay, he was going to transfer to Michigan Tech to become an engineer. After they both graduated from college, they were going to get married.

Then, they were thrown a curveball. **Last summer, Amanda found out she was pregnant.**

When they first met with us, they told us their story and **we scheduled Amanda for an ultrasound.** They had already known they needed to step up and take responsibility. However, when Amanda and Rob saw their baby on the monitor, **they realized this little one was not just an inconvenience but a part of them** and the beginning of their family.

Since then, Rob and Amanda have both been meeting with us on a regular basis; they have been eagerly participating in our *Earn While You Learn* parenting classes to learn about her pregnancy and parenting a newborn. They have been earning Baby Bucks to redeem for diapers, baby clothes and a car seat.

The two of them are now figuring out a new game plan. Amanda's parents will help while she finishes high school and they are coordinating their college plans. They are still planning to get married, but they moved the date ahead to May 2027.

In early December, **when they welcomed their son Ethan, Rob couldn't control his joy** as he excitedly told friends and family that they had a son!

You are part of Rob and Amanda's success story. Because of your financial assistance, we were able to provide the services they needed to help their choice for life to be something they could manage. **Because of you, they are looking forward to a bright future—even though it meant a change of their original plans for life.**

RING OF SILENCE MOVIE SHOWING

Human trafficking has unfortunately been on the rise in our area. In order to bring awareness to this issue, Pregnancy Services hosted a showing of the movie, *Ring of Silence* on Tuesday, March 24th at Bay College.

We extend our gratitude to the sponsors who helped make this event possible:

- UPPER PENINSULA HUMAN TRAFFICKING TASK FORCE • BAY COLLEGE • BAY DE NOC LIONS CLUB • DAILY PRESS
- ENBRIDGE • HEART OF THE NORTH LIONS CLUB • RADIO RESULTS NETWORK • SALEM LUTHERAN CHURCH, BARK RIVER • THE Q & A PANEL MEMBERS • THANK YOU TO WILES FOOD SERVICES FOR THE AMAZING DESSERTS!

Together We
Can Make A Difference

We are Expanding our Services!

Pregnancy Services of Delta County, in collaboration with WIC, OSF Women's Center, and the OSF OB Department, will be presenting a new FREE class to the community! We will soon be offering a single session breastfeeding and prenatal education to help expectant mothers and their support person; the class will help them prepare for this exciting time and learn more about what to expect.

WAYS TO GIVE

There are various ways to give to PSDC that will have a lasting effect on our community. Is estate planning in your future? If so, a portion of your assets could be distributed to PSDC. Wishing to make a one time gift or a multi-gift pledge? For information about the various ways to give or to become a *Partner for Life*, or to *Sponsor a Visit, Day, Client, or Room*, please contact Jamie Fisher at directorofpsdc@gmail.com or at (906) 241-9344.

THANK YOU TO OUR AMAZING VOLUNTEERS

We are constantly moved by the extraordinary dedication of our volunteers! They are the heartbeat of this organization—bringing not just their time and skills, but a level of compassion that transforms our mission into reality. Whether they've spent an hour or a decade with us, their contributions have a ripple effect, touching lives in ways they may never fully see. We are profoundly grateful to have each of them standing beside us! Since April is Volunteer Appreciation Month, our volunteers were honored with a luncheon and a gift to show how much they mean to us. Special thank you to Jake and Julia Cass for helping provide our volunteers with UP North Roast Coffee packets.

Love cannot remain by itself – it has no meaning. Love has to be put into action and that action is service.

Mother Teresa

VOLUNTEER OF THE QUARTER

Our Man to Man mentor, Rob Johnson, graciously works with the fathers who come to our center. Rob's heart reflects his desire to serve the Lord as he mentors the young men and as he helps with numerous maintenance projects around the center. Rob has two children and two grandchildren; he is excited to be marrying his best friend, Teresa, in July. "The family is the foundation of society and the breakdown of the family can cause tremendous hardship," said Rob. "I want men to understand the importance of fatherhood and develop the tools they need to become the men they are designed to be."

We appreciate all you do, Rob!

THANK YOU, MARY!

We extend our gratitude to Mary Whitmer for her dedication and service as a Board member! At the end of 2025, Mary fulfilled her time on the Board of Directors and chose not to seek re-election in order to spend more time with her family and her 26 grandchildren. Her knowledge and input was invaluable and her dedication to life is immeasurable. Although she is no longer serving on the Board, Mary will continue her role as an advocate serving clients who come to the center seeking love and support.
